L&T Infotech Announces Appointment of Sudhir Chaturvedi as President - Sales

Mumbai, Sep 12, 2016: [L&T Infotech](#) (NSE: LTI, BSE: 540005), a global Information Technology services & solutions company today announced appointment of Sudhir Chaturvedi as its President - Sales. In this role, Sudhir will lead the Sales, Business Development and Marketing teams globally.

Sudhir brings more than 25 years of industry experience across sales, business development, consulting and delivery operations. Most recently, he was the Chief Operating Officer at NIIT Technologies where he was responsible for worldwide sales and delivery for technology and business services. Before that, Sudhir spent 13 years at Infosys in various leadership positions including leading Manufacturing vertical in Europe and as Senior Vice President for Banking & Financial Services in the Americas. Sudhir has also held senior positions at Ernst & Young in the UK, and with AF Ferguson and Ogilvy & Mather in India.

“We are on a path to build the most client-centric company in the industry and Sudhir brings expertise and results-driven approach to enable this transformation,” said Sanjay Jalona, CEO & MD, LTI. “Sudhir has rich understanding of clients across USA, Europe and Asia, his experience spans across sales, consulting and delivery functions and he has developed deep industry expertise across verticals. This is a unique and rare experience to facilitate industry leading growth.”

Speaking on his appointment, Sudhir Chaturvedi said, “During last year, I have keenly observed the strength LTI is gaining in the market with its highly client-centric approach and one of the most promising leadership teams. The change is clearly visible and I am excited about contributing to this new organization as it pioneers solutions for a converging world.”

Sudhir is a specialist in the areas of Digital Strategy, Strategic Sourcing and Building Smarter organizations. He holds a Bachelor’s degree in Mechanical Engineering, an MBA in Marketing and an MBA degree in Finance and Information Systems. He lives in London with his family.
