L&T Infotech Joins Nutanix Partner Network

Partnership to help companies adopt cloud with simplicity and lower TCO

MUMBAI – December 14, 2016 – L&T Infotech or LTI, (NSE: LTI, BSE: 540005), a global Information Technology services & solutions company, announced its partnership with Nutanix, a leader in enterprise cloud computing, headquartered in San Jose, CA. Enterprises looking to simplify and fast track cloud adoption will now be able to leverage LTI’s ecosystem of solutions and Nutanix Enterprise Cloud Platform with simplicity and lower Total Cost of Ownership (TCO).

LTI has a rich experience in deploying and managing complex private and public cloud environments. As a member of the Nutanix Partner Network, LTI will be able to further enable enterprises to optimize infrastructure performance and achieve vision of Enterprise Cloud. Leveraging Nutanix software solutions and technologies, LTI will focus on the following key offerings:

- **Cloud portability:** Solution for applications and data mobility between private and public clouds.
- **Desktop-as-a-Service:** Solution for providing workspace solutions
- **Cloud sourcing:** Solution for IT-as-a-Service for most IT requirements.

Speaking on the partnership, **Aftab Ullah, COO, LTI said**, “While cloud based solutions have been around for a while, this partnership promises to be a game-changer for our mutual clients. LTI and Nutanix will provide a ready-to-use cloud solution for companies that want to fast-track their cloud adoption strategy and achieve the benefits of consumption economics”.

Dheeraj Pandey, CEO of Nutanix said, “Nutanix Enterprise Cloud Platform aims to deliver the flexibility, scalability and ease of use of a public cloud to companies’ own on-premise data centres, so customers can maintain the security, data protection and control within their own trusted environment. Our partnership with LTI is to help bring these benefits to companies of all sizes and across industries.”
