

# Business Intelligence meet tomorrow

The fourth international conference on 'Business Intelligence, Analytics and Knowledge Management – 2015' would be organised on December 17, 2015. In a press release here on Tuesday, ICFAI Business School director for branding & communications Sudhakar Rao said that the conference would be organised by ICFAI Business School and IcfaiTech on the ICFAI campus near Shankarpally. "L&T Infotech Vice President, Arvind M Anklikar will deliver the keynote address and IFHE University vice-chancellor will deliver the presidential address on the inaugural day. More than 40 papers will be presented from India and abroad," he said.
