

LTI Congratulates American Modern Insurance Group, Inc. for Winning the Celent 2018 Model Insurer Award

American Modern® leverages RPA tools for automation and process enhancement

Mumbai - April 25, 2018 – Larsen & Toubro Infotech Ltd. (NSE: LTI, BSE: 540005), a global technology consulting and digital solutions company, congratulates its client, American Modern Insurance Group, Inc. (American Modern) for winning Celent’s 2018 Model Insurer award. Celent is a global research and advisory firm for the financial services industry. American Modern, located in suburban Cincinnati, Ohio, provides specialty insurance products and services for the residential property and recreational markets.

Celent’s annual Model Insurer Awards recognize the best practices of technology usage in areas critical to success in the insurance industry. American Modern is honored with a Celent 2018 Model Insurer award for operational excellence for its automation efforts that resulted in increased productivity and improved customer experience. A detailed case study of each winning initiative, including American Modern, is included in [Celent’s annual Model Insurer report](#).

Anil Vazirani, Chief Business Officer, Insurance, LTI, said, “Efficient use of RPA tools for automation and process improvement is a game changer for Insurance carriers. We’re proud to partner with American Modern in this area and applaud their path-breaking RPA success which is being recognized with the Celent Model Insurer Award.”

Jayson Hills, AVP, Process Automation, American Modern, said, “RPA is a key component of American Modern’s technology strategy. Working closely with the LTI team, we deployed an RPA platform that greatly reduced risk due to human error while bolstering our operating efficiencies and customer satisfaction. With RPA, American Modern employees have more time for creative, value-added activities that fuel our business growth.”

Nicolas Michellod, Senior Analyst, Insurance, Celent, said, “The 2018 Model Insurer Awards recognize how insurers are using technology to change the face of insurance. Insurance carriers, such as American Modern, should serve as an inspiration to others looking for strong examples of best practice implementation that will have a truly meaningful impact on business results and the industry overall.”

The award was presented on April 24 at the Celent Innovation and Insights Conference in Boston, MA.
