L&T Infotech Selected as a Strategic Partner by Scandinavian Energy Company, OKQ8 Scandinavia

LTI will provide applications development & maintenance services to transform IT systems and business processes

MUMBAI – March 20, 2017: Leading global IT services and solutions provider L&T Infotech or LTI (NSE: LTI, BSE: 540005) today announced signing a multi-year strategic partnership with OKQ8 Scandinavia, one of Scandinavia's largest energy companies. As part of the deal, LTI will provide Application Development & Maintenance Services (ADMS) and also help OKQ8 Scandinavia transform its IT systems and business processes.

With customer experience as a core element of its vision, OKQ8 Scandinavia selected LTI as a strategic partner to stabilize IT operations, bring agility to business, meet compliance mandates, and improve customer satisfaction. LTI was selected for its technology expertise, experience across retail, energy and banking domain, strong presence in Nordic region and its collaborative approach.

LTI will leverage the full Microsoft cluster capability on products such as Microsoft AX ERP, CRM, Integration platform BizTalk, Office 365 & Collaboration platform to help OKQ8 Scandinavia achieve digital leadership.

Maja Robertsson, Director IT & Logistics, OKQ8 Scandinavia said "It feels really good to have found a strategic IT partner in L&T Infotech. Our partnership will give us numerous advantages and will allow us to improve our business even further."

Sarbajit Deb, Chief Business Officer, Nordic Region, LTI, said "This engagement is a great example of companies simplifying their IT architecture to turn IT into a strategic advantage. We are excited about this partnership because it leverages the right mix of our technology expertise, domain knowledge and strong presence in Nordic region. We are committed to helping OKQ8 Scandinavia design richer experiences for its clients".
