

Banking and Finance

Banks and other Financial Institutions are dealing with tough macroeconomic conditions, higher regulatory scrutiny, and rise of non-traditional competitors. As a response to the changing market dynamics, banks are transitioning from a product-centric approach to a customer-focused one. LTIMindtree's Enterprise IT Solutions for the Banking and Financial Services (BFS) industry enable you to offer superior customer experiences & competitive business models, at the same time delivering extreme operational efficiency. LTIMindtree's "banking reimagine" approach, coupled with our advisory and implementation service offerings, has helped banks produce unique industry solutions, delivering massive business benefits.
