

LTI Borderless Innovation and Experience Theatre for Oracle Cloud Inaugurated in Mumbai

To offer connected experience across Oracle SaaS, PaaS, and IaaS products

Mumbai, March 9, 2022 –Larsen & Toubro Infotech (BSE: 540005, NSE: [LTI](#)), a global technology consulting and digital solutions company, has inaugurated the ‘LTI Borderless Innovation and Experience Theatre for Oracle Cloud’ at LTI’s campus in Mumbai, India. The state-of-the-art experience theatre will assist enterprises in reimagining their business models by modernizing operations and accelerating their Oracle Cloud transformation journeys.

The facility is set to provide a connected and immersive experience across four key themes: Journey to Cloud (J2C), Business re-imagination stacks (Modern Finance, GenX HR, Resilient Supply Chain, and Direct to Customer), Digitize the Core, and Industry Cloud solutions. The Experience Theatre will be a one-stop-shop for customers to engage with LTI and Oracle experts for in-depth briefings, product/POCs demos, and workshops to visualize and scale future business processes. The facility will amplify LTI’s ability to simulate live project experiences, map-user journeys, provide connected experiences across Oracle’s product portfolio (SaaS, PaaS, and IaaS), and expedite clients’ digital transformation journey.

Nachiket Deshpande, Chief Operating Officer, and Executive Board Member, LTI, said: “The ‘LTI Borderless Innovation and Experience Theatre for Oracle Cloud’ will help customers envision future business models and accelerate their digital journeys. With Oracle, enterprises can optimize business workflows, boost customer and employee satisfaction, while reducing operational costs. The products and offerings demonstrated at the experience theatre are developed using Oracle Cloud Application Suite and [Oracle Cloud Infrastructure](#) products.”

La lit Malik, Group Vice President of Alliances & Channels, Oracle Asia Pacific, said, “LTI has developed and demonstrated deep capabilities and track record working on Oracle Cloud. The ‘LTI Borderless Innovation and Experience Theatre for Oracle Cloud’ is an excellent asset to showcase their comprehensive Oracle Cloud capabilities. We are confident our clients will benefit from the ease of access to this experience theatre and be able to witness the type of modernization and transformation that many organizations have taken through simulation provided at the theatre”.

As a Global System Integrator (GSI) and a member of [Oracle PartnerNetwork](#), LTI has achieved specialization across multiple Oracle Cloud products and service areas. LTI’s Oracle Cloud Applications practice is empowered with the right set of resources, tools, and assets, and leverages unique Oracle Cloud implementation methodology to power enterprise cloud projects. By leveraging its global experience in delivering leading Oracle Cloud solutions and Oracle’s product innovation capabilities, LTI along with Oracle will continue to invest in creating joint solutions and product extensions.
