

LTI Recognized as a Great Place to Work™ in Denmark

Mumbai, India & Denmark – May 02, 2022 – Larsen & Toubro Infotech (BSE: 540005, NSE: [LTI](#)), a global technology consulting and digital solutions company has been recognized as a Great Place to Work-Certified™ Company in Denmark. This Certification is based on positive feedback from employees gathered with Great Place to Work's rigorous, data-driven methodology.

Great Place to Work is the global authority on workplace culture, employee experience and leadership behaviors proven to deliver market-leading revenue and increased innovation. This recognition confirms that more than 80% of employees in LTI Denmark have had a consistently positive experience and believe that the organization is a great place to work. Areas of strength for LTI in the Denmark were its high scores on fairness, safety, and the management team.

Sanjay Jalona, Chief Executive Officer & Managing Director, LTI said, "We are honored to win the Great Place to Work recognition in Denmark. This is a testament to our culture and employee-friendly policies in this region and all over the world. I am proud of our people and want to thank them for their feedback and their relentless commitment to our clients during these extraordinary times."

"A huge congratulations to LTI on being Great Place to Work-certified in Denmark," said **Liselotte Jensen, Managing Director, Great Place To Work Denmark**. "LTI is characterized by a remarkably strong sense of pride. Based on good feelings about the ways in which the company contributes to the community, pride of the company's accomplishments and certainty that clients value the company's services make 85% of the Danish employees proud to tell others that they work with Larsen & Toubro Infotech. That is an accomplishment in itself and priceless employee advocacy."

LTI strives to provide a culture that fosters innovation and prioritizes employee happiness and well-being. This recognition is unique and of great significance specifically for LTI in Denmark. L&T was founded by two Danish engineers; Henning Holck-Larsen with Soren Kristian Toubro in 1938 in Mumbai and since then company has successfully expanded its global footprint. Currently, Larsen & Toubro is one of the largest and most respected conglomerates in global private sector and a construction & engineering giant with expertise across technology, manufacturing and financial services industry.
