Co-powering Cloud Migration for Insurance

LTIMindtree, Duck Creek Technologies, and Microsoft are building a solution that will enable insurers to migrate their on-premises core systems to the cloud quickly and seamlessly. It leverages our core modernization expertise, migration tools, and accelerators, Duck Creek's industry-leading software-as-a-service (SaaS) platform - Duck Creek OnDemand - and Microsoft's comprehensive and secure Azure cloud platform.

Driving IT Operational Efficiency for an Online Advertising Company

LTIMindtree announced a multi-year engagement to provide end-to-end IT services to support Criteo's global operations across all functions. This partnership will help our client enhance its business agility, IT service quality, and scalability. "Enabling Criteo with modern IT systems and capabilities remains a key priority in this fast-moving business environment," said Beatrice Mabile, VP of Internal IT, Criteo. "We look forward to our continued strategic partnership with LTIMindtree."
